Schools Close Next Week for Holidays; Programs Announced

Churches to Observe Christmas Sunday with Special Services

The holiday season will be given a running start this year by reason of Christmas falling on the last day of the week—Saturday.

Churches will conduct Christmas services this coming Sunday, nearly a week before the calendar day of Christmas.

Public schools for the most part will close on Wednesday, but the Antioch Grade school will not close until Thursday because of a lengthened vacation at Thanksgiving time.

The high school will present its Christmas gift concert to the public at 4 p. m. Sunday and then will close for the holidays on Wednesday. It, like all of the rest of the schools will re-open on Monday, Jan. 3.

The Antioch Grade school children will present a program for the Parent-Teacher Association at 1 p. m. Wednesday. Christmas music will be presented by the band and chorus, and special numbers will be given by the first, second and third grades.

There will be programs in the gymnasium for the morning and afternoon kindergarten classes on the following day, Thursday, and the whole school will be dismissed for the two week vacation at 2:30 p. m. on that day, according to Supt. Richard Whitacre.

The Altar and Rosary society will give a party for the children of St. Peter's school next Wednesday forenoon, Dec. 22. Movies will be shown. The pupils will be dismissed after lunch for the holidays.

Emmons School students will put on a play "Christmas in Coventry" by Alice Howell and Helen Dill at Wesley Hall in the Methodist church for their parents at 8 p. m. Monday. Treats will be distributed. Channel Lake pupils will present an operetta at 7:30 p. m. Tuesday under the direction of Miss Olive Dobson. The exchange of gifts will be on Wednesday afternoon.

Grass Lake School pupils will entertain their parents at the school Tuesday afternoon and on Wednesday the P. T. A. will give them a party.

News Out Day Early Next Week

The Antioch News will be printed a day earlier next week to give shoppers advantage of the advertising for the late Christmas season. That will mean that advertising and news must be furnished a day earlier, and that the paper will appear on Wednesday.

69 Make Honor Roll Of Antioch Township High School Students

The names of 69 students of Antioch Township High School appear on the honor roll for the second semester with Nancy Swenson, a senior, and Paula Zeien, a freshman topping the list with 20 points.

Conservation Camp Resolutions Sent to Governor, and Supt.

Educators Try to Obtain Lake Villa Camp as College Branch Campus

Resolutions from Antioch organizations are among the hundreds of others from Lake, Cook and McHenry counties that are being sent to Governor William G. Stratton and State Supt. of Public Instruction Vernon Nickell, asking that the Lake Villa Conservation Camp be turned over to Northern Illinois State Teachers College as a branch.

The resolutions signed by civic, religious, municipal, groups, teachers and educational institutions, and uppermost the State Council of Governors of Lions Clubs representing 2,000 clubs, ask that the two state leaders use their influence to obtain legislative action to provide the transfer.

The Conservation Department was given authority to sell the camp on Fox Lake this year so that a more centrally located camp for the state could be purchased.

The department has been prevailed upon to wait for a while pending possible legislative action that will make possible the purchase of the site for the college.

Credit for the campaign goes to a group associated mostly with the schools. Heading the group is Supt. Keith Bitner of the Fox Lake Grade School, chairman, and board members, R. E. Corrigan and Richard Miller; Dr. R. K. Johanson, Fox Lake, secretary; Raymond Ellis, superintendent of the Round Lake Grade Schools; B. J. Hooper, Lake Villa Grade School Board president; Walter Axelsson and Morris Benzuly, Fox Lake; and William Thompson, assistant county school superintendent.

Sequoits Top League By Victory Over Bears; Play Glenbrook Next

Bensenville Here Saturday; Dundee Here Next Wednesday

Antioch High moved into an undisputed lead in the Northwest Conference last Friday night when the Sequoits toppled the undefeated Wauconda Bulldogs 79 to 42 on the Antioch court.

At the same time, undefeated Elaverton was dropped from the three way tie for first place through their first defeat of the year at the hands of Palatine, a 68-49 upset.

The Glenbrook Spartans against whom the Sequoits will play tomorrow evening at Northbrook, defeated the Grant Bulldogs 71-59, and the Bensenville Bisons who will play here Saturday evening lost at Grayslake 59-53, a surprising upset.

In a non-conference game Dundee will play here next Wednesday evening.

The Wauconda Bulldogs started out strong against the Sequoits and were ahead 16 to 14 at the end of the first quarter. Then the Antioch offense began clicking and by the end of the half the Sequoits were ahead 63 to 26.

When the score continued to mount to 53 to 32 in the third quarter, and threatened to be a rout, Coach Dick Scott gave his reserves a chance to play.

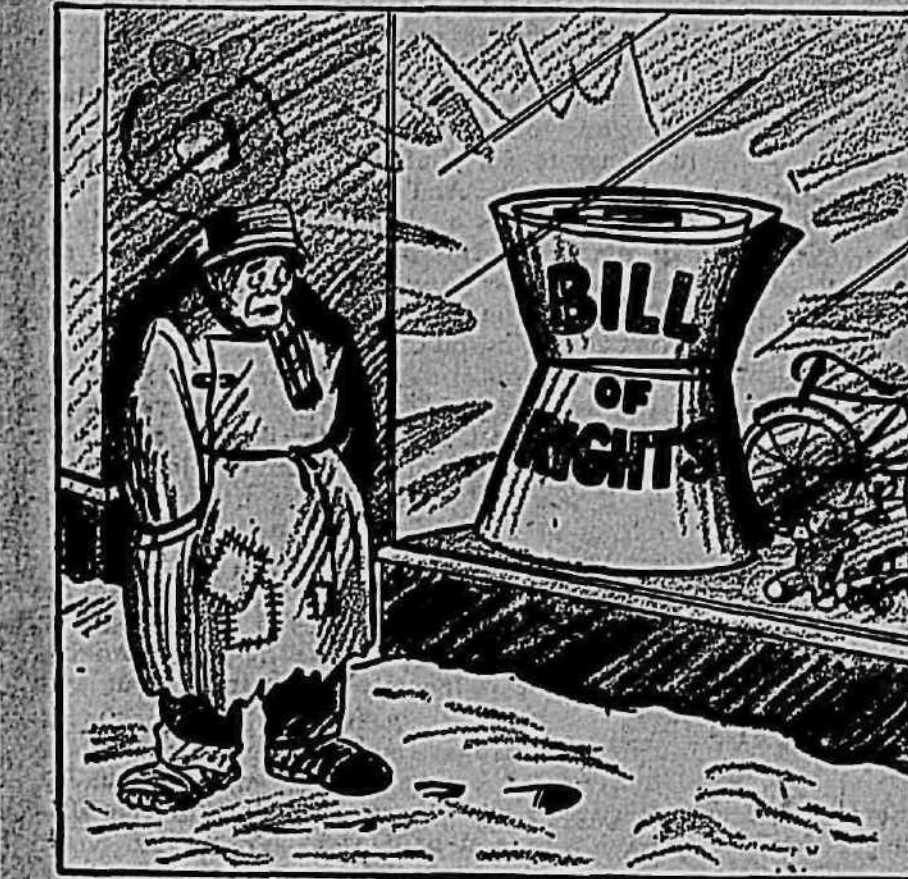

Showing that the team is well balanced in its offense, the top scoring was practically divided between Ben Floyd, Mike Haviland, and Butch Brownlee, with Fred Clarke not far behind. Haviland scored 19 points, Floyd and Brownlee, 18 each, and Clarke 12.

Besides scoring high, Floyd held Gene Jaskot, Wauconda's scoring ace to five field goals and a total of 14 points.

The box score:

Shopping Behind The Iron Curtain

Rentner Restaurant, Hunter Garage Burglarized On Successive Nights; Burglars 1st Night Caught

The Henry Rentner restaurant on Rte. 173 east of the village limits was looted on successive nights last weekend and the Hunter garage next door was broken into the second night and looted for losses totaling several hundred dollars.

Three Zion teenagers confessed to county deputy sheriffs Saturday that they broke a door glass and entered the Rentner restaurant where they stole a quantity of cigars and a pie, and then jammed the cash register in an unsuccessful attempt to rob it.

Held were Fernando Copen, 16, and Robert Riehl, 17 both of 2801 Elm Ave., Zion, and another 15-year-old Zion youth who the authorities said had not been in trouble before. They were charged with burglary.

Copen is a parolee from the State Training School for Boys at St. Charles where he was sent in 1952 for the theft of an automobile and Riehl is said to have been arrested in Zion for a number of offenses.

Antioch Police Give Alarm
The three were caught on information supplied by the Antioch police Friday night, Chief Walter I. Scott and Special Patrolman Elmer Horton. The police first noticed a stalled car near the scene of the break in, and while making the rounds at 1:15 a. m. found the three boys in it. The boys told them they were out of gas and asked what time a service station would be open. They were advised to leave the car and hitchhike home to Zion. The three started out. In the mean-

time the police took note of the car license.

Less than an hour later, Patrolman Horton making another round discovered the car missing, and discovered at the same time that the lunch room had been entered. Zion police were notified and they were waiting at the home of the boys when they arrived.

The three admitted breaking into the lunch room and stealing cigars, and told police they had borrowed a second car from Copen's brother with the intention of reporting the first one stolen in an effort to establish an alibi.

Burglary Is Reported
The restaurant and the Hunter garage were entered again about 4 a. m. Sunday. The front door of the garage was battered in to gain entrance. Besides \$30 taken from an open cash register the boys stole a gumball machine, and a large peanut vending machine.

The gumball machine was found near the DesPlaines river on Rte. 173 east of Skokie Hwy. indicating that the thieves again fled toward Zion. The peanut machine has not been found. Cigars and cigarettes again were taken at Rentner's.

Elmer Hunter, garage owner, said that his total loss will be about \$150. This is the fifth time the garage has been broken into. Waukegan police captured the men who stole a quantity of old batteries from the place once and they were sent to prison.

The Rentners only recently opened the restaurant.

Christmas Rush On, Merchants, Postmaster Report On Business

Mailing 25 per cent More Than 1953; Flow of Money Also Freer

The Christmas rush is on in Antioch.

Merchants say the people are buying earlier and more than last year.

Postmaster Roy Kufalk said that this is reflected in the mailing at the postoffice and that receipts as of Tuesday were running 25 per cent ahead of last year.

How long this will keep up is not known.

"It is hard to judge yet just what the extent of trade will be," said George Borovicka, president of the Antioch Chamber of Commerce. "They are buying more expensive articles, indicating a freer flow of money."

Accelerating the spending were the thousands of dollars paid out in banks.

President Borovicka said that merchants are becoming more aware that Christmas shopping is becoming a year-round procedure.

"Women buy Christmas gifts in the summer and lay them away," he explained.

Borovicka said that the Santa Claus at his Reeves-drug store Sunday never got off his stool from 1 p. m. until 5:15 p. m., so steady was the line of children chatting with him.

Beginning Friday, Dec. 17, the Lions Club will broadcast excerpts from the "Messiah" over the public address system between 3:30 and 4:30 p. m., according to program chairman Morris Pickus.

Shoppers again are reminded that the free bus service to Antioch is on Tuesdays instead of Wednesdays.

American Legion Seeks Place for Ice Skating For Antioch Teenagers

Officials Hope to Bring Back Pre-war Festivals at Antioch Lake

Need for a place for teenagers to skate this winter has caused officials of the Antioch American Legion to investigate the possibility of the use of Antioch Lake as a place for this kind of recreation.

Remembrance of pre-war arrangements by which a portion of the lake was lighted, a shelter house constructed, and the ice kept in good condition through water pumped from holes by the fire department, has caused visions of a repetition of this for a new generation which needs activity.

Cmdr. Dan Lightsey said that if the demand is sufficient he is sure that his and other organizations will try to do something about it. Cards with suggestions may be sent to Adjutant Roman Vos.

Back before the second World War a big ice festival was held at Antioch lake. Besides the skating there were races and other forms of entertainment, with the scene heightened by colored lights.

A light pole still remains at the lake, it is said, and the illumination would not be difficult. The shelter could be paid for through donations, according to Lightsey.

Blubber Club to Meet

The Blubber Club will meet on Tuesdays at the Antioch Township High School gymnasium from 7:30 to 9:30 p. m. The club held its first meeting this week and 25 were present. It is composed of business and professional men who like to keep in trim through exercise, and they engage in various sports. All men above high school age are urged to attend.

Deer Tours Antioch

A deer paid a visit to Antioch a week ago Sunday, but was soon chased out of town by dogs. It was first seen on Spafford st. by the Radkes and later at the Osmond place at Hillside. Jim McMillen, son of Mayor James McMillen, said he saw the animal cross their farm headed for Wisconsin about 2 p. m. The deer was a good sized doe.

Topercers Buy Pantry From the Walt Curtises

John and Mary Topercer of Indian Point have purchased the Pantry grill on Main st. from Mr. and Mrs. Walter Curtiss.

The Curtises have not revealed their future plans.

Mr. and Mrs. Topercer are experienced in the restaurant business and may be expected to conduct the business in the same fashion that the Curtises have in building up an excellent patronage.

Girl Slightly Hurt in Collision at 173-45

A 3-year-old girl received a cut on her forehead in a two-car collision at the intersection of Rtes. 45 and 173 at 6:20 p. m. Tuesday.

She was Nora Lou Gemes, daughter of Horace Gemes, 910 N. 7th st., Sturgeon Bay, Wis.

Sheriff's deputies said that Mr. Gemes drove south and struck the rear of a car driven by Henry Schaller of Chicago when he stopped for the intersection.

A passing Antioch physician treated the little girl, and the services of the Antioch Rescue squad called to the scene was not needed.

Antioch Firemen Plan

New Year's Eve Party
Antioch firemen already are planning their annual New Year's Eve party which will be held in the department's recreation rooms.

Each fireman and his lady will be privileged to bring a guest couple. Russell Stowe is chairman of the committee in charge of the event. Other members are L. R. Van Patten, Jr., Verne (Barney) Barnstable, Laurel Van Patten, and Leo Keisler.

To make sure your car can start when stopped in snow, pack a firm foundation for the wheels by driving the car back and forth several times, says the Chicago Motor Club.

Antioch Churches Prepare Christmas Programs, Pageants, Parties, for Sunday and Next Week

Schippmann Installed as Masonic Lodge Master

Edward G. Schippmann is master of Sequoit lodge 827, A. F. and A. M. as the result of installation services held Saturday evening. He takes the place of Bernard Guillaume who joins the ranks of past masters.

Installed along with Schippmann were Robert Pincombe, senior warden; Donald V. Sargol, junior warden; Charles Mapletorpe, treasurer; John Gaa, secretary; Jack Steiber, chaplain; James Bruski, senior deacon; Clarence Larson, Jr., junior deacon; Richard Chapman, Jr., senior steward; L. R. Van Patten, Jr., junior steward; Milton Park, Tyler; and Wayne Polsgrove, marshal.

Installing officers were John M. Erskine, district deputy grand master, serving as master; Wendell Nelson, past master, serving as secretary; Guy Simmons, past district deputy grand master, chaplain; and Marshall Erickson, district deputy grand master, marshal. Robert Rundle was soloist.

Moose Again to Conduct Home Decorating Contest

The Moose lodge will again conduct its home decorating contest this year. Judges will award prizes for the three best lighted and decorated house exteriors, and Mrs. Earl Hays will again provide the hand painted china for the awards. Those who wish to enter the contest are to drop a card to Mrs. Harry Arndt, Antioch Rural Route No. 3 by Dec. 23, giving the name, subdivision, street and general location so that their places may be judged.

The Women of the Moose are co-sponsors of the project.

Grade School Basketball
Woodland Grade school's basketball teams will play the Antioch Grade school teams Friday evening. The games will start at 7 p. m. and there will be contests between A and B teams.

Antioch churches will all have special programs of one kind or another as Christmas approaches. Many of them will be held Sunday with the young people having a prominent part.

Sermons will be on the birth of Christ and the meaning of Christianity in the present day world.

Pageant at St. Ignatius
Members of the Sunday School of St. Ignatius church will present their annual Christmas Pageant at 4 p. m. Sunday. The pageant will depict the story of the birth of Christ.

Following the pageant the young people will go to the parish hall for a Christmas party and Santa will appear and pass out gifts.

Methodist Prepares Pageant
The Rev. Howard Benson will preach the sermon at 11 a. m. Sunday at the Methodist church and the Sunday school will meet at 9:30 a. m.

At 7 p. m. Thursday, the Sunday School Christmas Pageant and party for families and friends will be held. Mrs. O. L. Reether is director of the pageant and will be assisted by the department superintendents, Mrs. Edward Jahneke, nursery; Mrs. Russell Homan, kindergarten; Mrs. Elmer Hunter, primary; Mrs. Clarence Heath, junior; and Mrs. Milton Patrick, intermediate.

A Christmas eve candlelight service will be held at 11 p. m. Friday. The choir under the direction of Charles Watson will participate. The intermediate Youth Fellowship will meet at 3:30 p. m. Sunday, Dec. 19, to complete work on the Christmas project.

The High School youth will meet at the home of the Rev. and Mrs. Benson at 6 p. m. Sunday and will carry to shut-ins of the church later in the evening.

Faith Lutheran Church
Faith Lutheran Church will have its Christmas eve program at the Antioch Grade school. The women of the church provided a Christmas party last Sunday evening at the American Legion hall.

Party for St. Peter Children
St. Peter's Knights of Columbus council 1 will provide a Christmas party for the children of the church and their guests from 2 to 4 p. m. Sunday in the church basement.

Holidays Should Be Happy

What are you doing to make the coming Christmas holidays happy for you and your loved ones? Buying gifts, wrapping packages and planning festive meals? Of course, these are a part of Christmas, but have you given a thought to keeping yourself and your family in good health and free of accidents during the holiday season, the Educational Committee of the Illinois State Medical Society asks in Health Talk.

The approaching holidays will bring a toll of illness and accidents, not because they just happen, but mostly because you have failed to consider them in your planning. How can you expend happiness and good cheer if you are so tired with tearing about in crowds and forcing yourself to do one more thing?

Your fatigue overshadows your genuine wish of imparting happiness. It increases your susceptibility to cold and accidents. It makes you less cautious of traffic and the slippery streets of winter. In your desire to crowd as much as possible in a given time, you dash across the streets to "beat" the light. What have you gained if you fall and fracture an arm or leg, ending up in the hospital for the holidays instead of home with your loved ones?

You've planned your budget—you know just how much you can spend for remembrances for

your family and friends, but have you considered that, through carelessness, one purchase by you may cause an accident? Toys, for example? Are those you selected for tiny, curious hands the right ones? They may be bright and gay and amusing, but are they safe? Do they have removable parts? A bead or a button can be pried loose by tiny tenacious hands and wind up in the owner's mouth, nostril or ear. And what about the toy with the sharp point? Could it cause damage in the hands of the child who likes to hug objects close, or wave them about? Think it over. Don't let your gifts give pain instead of pleasure.

Of course you're planning on a Christmas tree, but did you get around to check the wiring? Remember last year you experienced a few short circuits, and you promised to include it on your list of things to do. But did you? A fire wouldn't help your holiday. And neither would burns.

Cocktail parties play too important a role in holiday planning. In your imbibing, don't be one of those who have to have "one for the road." It may be just the one that will take you to the road that leads to the hospital.

You know that people are inclined to eat too much during the holidays. Why don't you avoid this? Don't overeat. The time during and after meals should be full of mirth and enjoyment. It won't be if you and everyone else have uncomfortable feelings of fullness and distention.

Plan your holidays wisely, so that everyone is and remains happy. And remember that the Christmas holidays should not be all gift-giving. Don't overlook the spiritual side in your planning. Take part in the religious observance of your own belief.

In your Christmas budget, include the three "S's"—thought of sanity, safety and spirituality. Merry Christmas and Happy New Year to you all—and good health and happiness.

Everybody remembers when you give electrically!

The nicest thing about getting an electric appliance for Christmas is that it's useful and lasting as well as attractive. That's why people remember when you give electrically. That's why really thoughtful people do give electrically.

Another good thing about electrical gifts is the wide selection you'll find in every price range. Whether you want to spend a few dollars—or even several hundred—you can always find an appropriate gift among the hundreds available.

Stop in and see them soon at your appliance dealer's or Public Service Company store. You'll find plenty of good gift ideas—and when you give electrically, everybody remembers.

Scientists Study Camel's Ability To Withstand Fever

DURHAM, N. C.—Two Duke University scientists who headed an expedition to the Sahara Desert have returned with new knowledge of one of the world's most astounding beasts—the camel.

The zoologists are Dr. Knut Schmidt-Nielsen and his wife Dr. Bodil Schmidt-Nielsen, who took their three children with them on an expedition to a desert oasis 500 miles inland from Algiers. The undertaking was financed by the Guggenheim Foundation, UNESCO and the U. S. Government.

Dr. Schmidt-Nielsen says the expedition gathered extensive data on the camel's heat regulation mechanisms, water conservation and kidney function.

The camel can stand increases in body temperature of as much as 11 degrees Fahrenheit, he says, an increase equivalent to critical fever in man and most animals.

Perspiration in human beings keep body temperature at constant level, the zoologist explains, while the camel begins sweating only after a considerable increase in body temperature and even then does not drip with perspiration. This stinginess with body moisture is one of the reasons camels can go for weeks and months without a drink of water.

The camel does not have a special compartment in his stomach, hump or elsewhere for storing water, Dr. Schmidt-Nielsen says, pointing out that the hump consists mostly of fat.

The experimental work included weighing camels by means of a massive scale and canvas sling; analyzing blood and urine samples; and dissecting camels for study of stomach, kidneys, and other organs.

Remote 'Uncle' Not True Missing Link

WASHINGTON—An extremely remote "uncle" of mammals and man still survives after at least 300,000,000 years.

Such is the coelacanth, the ancient fish abundant as a fossil coeval with the earliest dinosaurs, two living specimens of which have been found in the Indian Ocean.

When discovery of the first living fish of this supposedly long-extinct group was announced a few years ago, the creature was widely described as a "missing link." This is far from true, says a report issued by the Smithsonian Institution.

While they may represent a missing link in one sense (they are close to the original condition from which the land-dwelling back-boned animals arose) and they do breathe air, they lack one important feature—the ability to breathe air through their nostrils. They could not adapt themselves to the land when their habitats started drying up and found shelter only in the sea. Indications were that they ventured into deeper and deeper water with the millenniums but underwent no major physical change. The refuge of great depths probably enabled them to survive.

Water Heater Potential Bomb If Not Protected

CHICAGO—The careful motorist, fully alert to the hazards of driving in heavy traffic, may, without knowing it, be running a far greater risk to life and limb when relaxing in the comfort of his own living room.

He may be sitting over a potential bomb in the basement if the water heater is overheating and building up latent explosive energy.

Most explosions are caused by lack of the proper safety controls in the form of pressure and temperature relief valves. Some "protected" heaters may explode if the temperature safety valve has not been checked periodically to insure proper operating efficiency.

Coast-to-Coast Air Miles Shortened

WASHINGTON—On September 30, New York and San Francisco stood 2,900 air miles apart. Now the straight-line flying distance is only 2,500 miles.

East and west coasts have not moved closer together, nor have the airlines found a shortcut. The difference lies in the word "miles."

After five years of preparation, civil aviation in the United States has officially switched from statute or "land" miles to nautical miles and knots in reporting distances and speeds. Pilots, tower operators and weathermen now use sea language, as military airmen of all branches have done since 1947.

Mauling the Masher
TORONTO—A 72-year-old grandmother told police how to handle men who accost ladies on the street at night.

Mrs. Tonette Fontaine said that when a "heavy-set fellow" grabbed her by the arm as she waited for a streetcar, she grabbed a rock and hit him "a whack on the head he won't forget" and then got on her streetcar.

There's A Big Secret Between Them

Jo-Ann Fay, daughter of Mr. and Mrs. Frank Fay of Grass Lake busy telling Santa what she wants for Christmas. Could it have been a doll, or what was it that she wants so badly that she didn't realize that her picture was being taken?

Carpentier Urges Motorists To Get Their 1955 License Plates as Soon as Possible

Springfield, Ill., Dec. 13—Secretary of State Charles F. Carpentier today urged motorists to get their 1955 license plates immediately, either by over-the-counter purchase in Chicago or Springfield, or by mail application.

Secretary Carpentier especially asked residents of the Chicago and Springfield areas to take advantage of the over-the-counter service for three reasons: It eliminates delay through the mail, it provides the motorist with a receipt to substitute for his registration card until the card can be sent to him, and it enables checkers to detect possible errors in the application and get them corrected while the applicant is present.

After the rush of business on the first day of over-the-counter sales, volume has dropped off abruptly, Mr. Carpentier said, and applicants can get their plates now with a minimum of waiting in line. In Chicago, the office is located at 334 South Ashland boulevard and in Springfield, on the second floor of the Capitol building.

Concerning mail applications, the earlier they are received, the earlier

the plates can be mailed, Secretary Carpentier pointed out.

A&P EMPLOYEES TO SHARE \$2,300,000

Employees of the Great Atlantic and Pacific Tea Company throughout the country will share more than \$2,300,000 in pre-holiday compensation this year, it was announced today by Ralph W. Burger, president of the food chain.

Every employee with as much as six months' service will receive a part of the annual fund voted by the company's board of directors. Distribution is scheduled for Dec. 17.

Sophomores Win 45-31
The Sequoit Frosh-Soph team also won over the Wauconda underclassmen. The first quarter was an 8-8 tie, but during the second period Antioch forged ahead and continued to hold an ever wider advantage throughout. High scorers were Harry Evans, center, 15, and Jerry Huml, forward, 12.

Motorists who don't stay in line, but weave from one lane to the other, are hazards on multi-lane highways.

On Sunday, Dec. 19 the Christmas theme will be carried out in the sermon by Rev. Plummer, also in special music by the Cherub and Senior choir at the 11 o'clock service, and in the evening the annual church school program and party will be given at 8 o'clock, and all are welcome. The M. Y. F. will gather at the church at 7 p. m. on Dec. 22 and go caroling, and later return to the church for a Christmas party and gift exchange.

There will be a candle-light service at the church on Christmas eve at 11 p. m. to which you are invited.

A service of dedication of memorials to the church was a part of the morning service last Sunday and Mrs. Dan Boyer, chairman of the committee on memorials, made the presentation. The memorials included an audio system and a hearing device for seats in memory of Mrs. Olga Fischer, hymnals in memory of Mr. and Mrs. Carl Seeger and Mrs. James Connell, and an illuminated picture of Salzman's head of Christ and a book in memory of Mrs. Florence Kerr.

Mrs. Fred Popp has been a patient at Columbus hospital in Chicago since last week. She underwent surgery and is recovering nicely.

Mrs. Clifford Bartlett was guest of honor at a shower held at the recreation room of the fire station last Wednesday night and the group spent a most enjoyable evening. Mrs. Bartlett received many pretty and useful gifts. Mrs. Dallas Beager and Mrs. Fred Bartlett were hostesses of the evening.

The Lake Villa Community Men's club held its regular meeting on Tuesday evening last week at the school gym and the W. S. C. S. Circle No. 1 served a ham dinner. The club held election of officers as follows: president, Don Summers; 1st vice president, George Sebel; 2nd vice president, Warren Brown, and

treasurer, B. J. Hooper. Charles Von Oeyen has not been able to carry on as secretary since his accident a few weeks ago and B. J. Hooper has been working in his place and Mr. Von Oeyen will take over as soon as he is able.

Mr. and Mrs. Bob Von Oeyen of Chicago visited their father, Charles Von Oeyen at his home at Petite Lake on Saturday.

C. P. O. Jos. Botts, his wife, nee Edna Barnstable, came last week from San Diego to spend some time with her parents, Mr. and Mrs. Leo Barnstable. C. P. O. Botts is on 30 day leave and will leave the first of the year to resume his duties aboard ship, but Mrs. Botts and Danny will remain until he returns from a sea voyage. Danny has already entered kindergarten.

Mrs. F. Emerson is nurse at the

hospital at Allendale, replacing Mrs. Fischer who recently retired from her duties there.

On Sunday Mr. and Mrs. Emerson entertained an eight man group of the Masonic Glee Club at a rabbit dinner at their home, and on Tuesday evening Mr. and Mrs. Emerson attended a meeting of Blair Chapter O. E. S. at Logan Square which was followed by a Christmas party for members.

Mr. and Mrs. Palmer Garland of Marinette, Wis., are guests of Mr. and Mrs. Emerson over the holiday season.

Mr. and Mrs. Al Boehm entertained Mrs. Marie Hamlin, Mrs. Georgia Avery, Mrs. Mayme Kap-

ple, Mrs. Lulu Nelson and Mrs. Cora Hamlin at a luncheon and Christmas party at her home on Rte. 46 last Thursday afternoon.

Of interest to many who knew Rev. and Mrs. Bob Harrison who served the Lake Villa community church before Rev. and Mrs. Plummer came is the news of the arrival of David Wesley Harrison on Oct. 28. The Harrisons have three daughters and they live in Oklahoma where they serve a large parish.

Mr. and Mrs. C. N. Dunbar and Stanley of Pettie Highlands left this week to spend the winter months in Florida, as they usually do. They will visit their daughter

and family at Atlantic Beach, Fla. for a time until they find suitable quarters.

The regular meeting of the Lake Villa Memorial Auxiliary Post No. 4308, Veterans of Foreign Wars was held Monday evening at the fire station recreation hall.

Five new members took their obligations at this time. Various com-

mittee chairman were appointed for the ensuing year.

At the close of the meeting refreshments were served by the Mesdames Joseph Mack, Millard Schneider, Edward Langbein, and Russell Nickerson.

Dr. and Mrs. M. H. Gindlich left this week to spend a few weeks on a Florida vacation.

Taken to County Jail
Joe Keizer of Elgin, formerly of the Antioch community was taken to the county jail by Antioch police and members of the rescue squad after he became obstreperous at Knickerbocker's tavern and was ejected. It took four men to place him in a car for transportation to jail where he was left to sober up.

PUBLIC NOTICE is hereby given to all persons in the Town of Antioch, Lake County, Illinois, that a public hearing will be held on January 3, 1955, at the hour of 1:30 P. M., in the Village Hall, Antioch, Illinois, relative to a proposal to vary the terms of the Lake County Zoning Ordinance, as to the R-4 Residential District, to grant a special permit or variation allowing the following described premises, to be used for schools and colleges, religious institutions and retreats, school camps and recreational camps for children of school age:
Beginning at a point 257 feet East of a point on the West line of Section 21, Twp. 46 N., R. 10, East of the 3rd P. M., 52.5 feet North of the Southwest corner of the North-

west quarter of the southwest quarter of said Section; running thence North parallel with the West line of said Section, 1271.5 feet to the East and West quarter line of said section; thence East on the said quarter line, 412.5 feet; thence South 1000 feet along the West line of Villa Rica Subdivision, or to the Northerly line of roadway now established along the Southerly line of property herein described; thence Southwesterly along the Northerly line of said roadway to the place of beginning, in Lake County, Illinois.

As a result of the petition of THE JEWISH COMMUNITY CENTERS OF CHICAGO, an Illinois not-for-profit corporation, and the MOODY CHURCH, of Chicago, Illinois, an Illinois not-for-profit corporation, which petition is on file and available for examination in the office of the below named Board, Court House, Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard.
LAKE COUNTY ZONING BOARD OF APPEALS
Earl H. Kane, Chairman
Dated at Waukegan, Illinois, this 16th day of December, 1954.
